

ADDENDUM

Request for Proposal: Spectrum Engineering Analysis Tool

The Spectrum Management Authority (SMA) hereby issues an Addendum to the Request for Proposal (RFP) SMA-SEAS-012/2013 issued 2013 November 4.

The SMA hereby advises of an addendum to Section II Bidding Data Sheet, Clause ITB 4.6, which should read as follows:

At the time of tender, if indicated herein in ITB 4.6 below, the bidder must be registered with the **National Contracts Commission** "Register of Public Sector Contractors"

Under the National Contracts Commission "Register of Public Sector Contractors", the required registration category is: *Information Technology Services*

Overseas bidders will be required to obtain NCC Registration if they are selected for contract award.

For more information: <http://www.ocg.gov.jm>.

All other terms and conditions remain the same

Date issued: 2013 November 19
