## **Consultation on 700 MHz Spectrum Auction**

The Spectrum Management Authority (SMA) and the ICT Division within the Ministry of Science, Technology, Energy and Mining (MSTEM) wishes to thank all respondents for their interest in and responses to the Information Memorandum (IM) – Licensing the 700 MHz band published on April 15, 2013. The questions received and responses thereto are currently available on the websites of the SMA and MSTEM.

The SMA and MSTEM, in the interest of ensuring the involvement of all stakeholders interested in this auction process, have taken the decision to postpone the scheduled Public Consultation **to a date to be announced.**

Please continue to check the SMA website for updates in this regard or contact the Auction Manager at:
